

ReStart TV

*Missed the start of your favorite show or the first half of the big game? **ReStart it!***

- ReStart a show that is already in progress with the press of a button.
- Use DVR functions to **PAUSE, REWIND, or FAST FORWARD past commercials!**
- **ReStart TV is available on ALL TV channels!**

To ReStart a Program in the Program Guide:

- 1) Press the **Guide** button on the remote control and highlight the program you want to restart.
- 2) Then press the **Green** button on the remote to restart the program.

ON DEMAND

Instant access to over 7,000 ON DEMAND titles

Browse folders in multiple categories, including: **Most Popular, New Releases, recently aired TV Shows, Premium Channels, and FREE Content!**

Not sure what to rent? Before renting, highlight **Preview** and press **OK** to watch the movie trailer!

Press the **ON DEMAND** button on your remote control, browse the folders to find the movie you want to watch, and sit back and enjoy! When selecting your rental, the default purchase PIN is 0000.

Tip: Press the **Blue Button** on the remote to toggle back and forth between viewing by folder lists or by folder artwork.
