New

5:30 PM NBC Nightly News with Lester Holt

NBC News anchors and correspondents cover developing and headlining events happening across the nation and the globe concerning important social, political and economic issues with in-depth interviews and investigative reports.

New

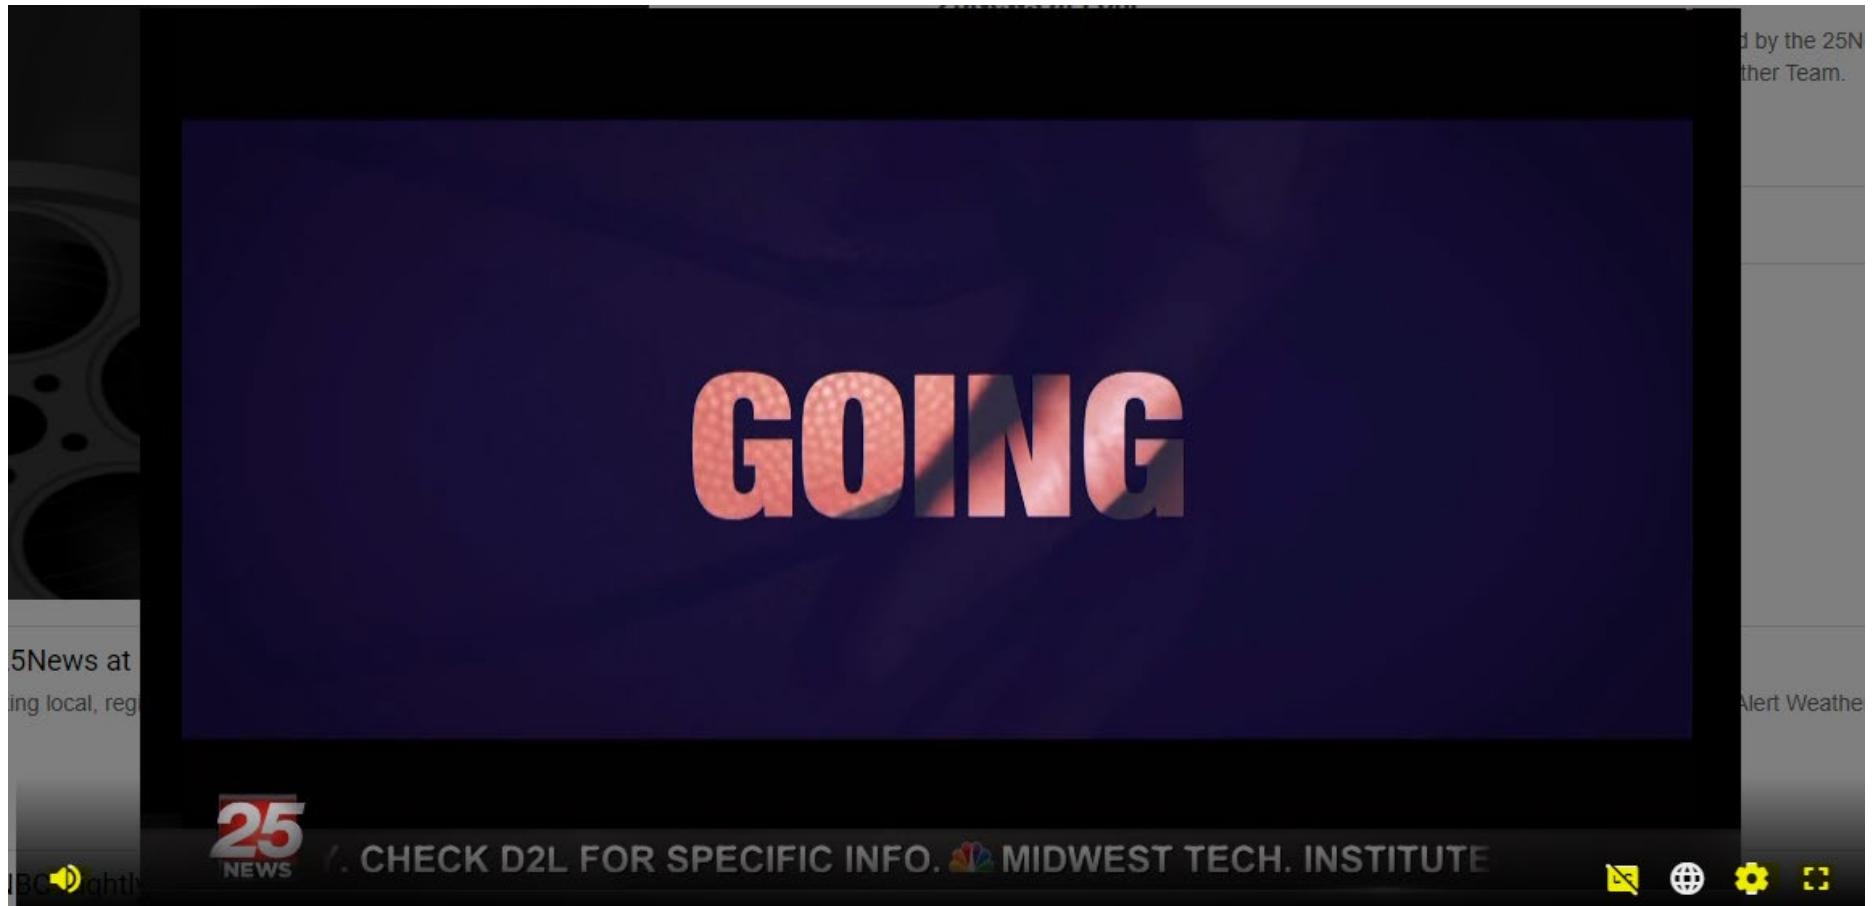

When Watch Here (for live viewing only) is selected, you will be presented with several options at the bottom of the screen (Please take note that this is only Live TV, No Restart)

Use the speaker icon in the lower-left corner to adjust volume.

The CC allows you to turn **Closed Captions on** (Select Unrecognized) **and off** (Select off)

The Gear sets the **Resolution** (This should be left on **Auto**)

The lower right side icon switches to and from **Full Screen Mode**.

When you choose to Record a show, you will be presented with the following options. Typically, you will select the Recording Type (One Time or Series) and optionally extend the recording duration by up to 60 minutes., which gives the option of One Time or Series, and Stop Recording, which allows you to add up to 60 minutes to the end. If you have Folders on (enable or manage folders), a feature that helps you organize your recordings, you will also be able to select a specific location for your recording.

You must subscribe to Cloud DVR (cDVR) to set and view recordings.

Recordings

Recordings show you your **Current** Recording, **Future**, and **Series** by selecting one of the three tabs.

Once you select a recording under **Current**, you will have the following options: Watch, Move (If folders are set up), or Delete.

The screenshot displays a user interface for managing recordings. At the top, there are three tabs: 'Current' (selected), 'Future', and 'Series'. Below the tabs is a list of recordings, each with a thumbnail, a title, a description, a date and time range, and a status indicator.
