Pause Live TV

You're watching a playoff game and a neighbor rings the doorbell. Don't worry, just press the Pause button and you won't miss a play.

Give Pause Live TV a try for only \$2 a month (per TV) and you'll see why you can't live without it:

- Fast forward past commercials.
- Rewind.
- Pause again later in the show.
- Fast forward to real-time.
- Pause a live show for up to 30 minutes.

digiMAX users can now benefit from pausing live TV content with a special plug-and-play USB drive.

To connect your Pause Live TV adapter...

- 1** -unplug your digiMAX set top box power cord from the wall outlet
- 2** -insert the adapter into the USB slot on the back of your digiMAX set top box (as shown above)
- 3** -plug the power cord back into the wall outlet

You're now ready to Pause Live TV!
